

# 李继开

1975 年生于四川成都。1999 年毕业于四川美术学院油画系。2020 年毕业于中国艺术研究院美术学获博士学位。现任教于湖北美术学院。

李继开是 70 后艺术中"新卡通一代"的重要代表人物,他的绘画向来以灵性的笔触和诗化的气质著称。他不仅延续了 20 世纪 90 年代"政治波普"在图像上的变革,更将图像与自我的主体意识有机地结合起来,使作品的表达具有"新绘画"的特质,将延续自"卡通一代"的绘画与书写推进到一个新的阶段。

李继开自 2000 年开始画"少年",从幸福理想、白日梦到冥想、神经质,画中的"少年"从孤独疏离,转而开始与外部世界中的蘑菇、西瓜、帐篷等具体的事物建立起联系。"少年"既成为了李继开的自画像,也成为其介入时间、童年、当代社会、梦境的入口,展现了 70 后一代人的内在精神历程。画面既有上世纪普遍的落寞感伤,也有鲜活的新表现主义色彩。

其作品曾于中国美术馆、北京今日美术馆、上海龙美术馆、上海民生美术馆、上海当代艺术馆、美术文献艺术中心等重要机构展出,也曾于英国、美国、德国、瑞士、荷兰、日本、韩国等海外各国展出。亦被北京今日美术馆、上海龙美术馆、深圳何香凝美术馆、广东美术馆、湖北美术馆、武汉美术馆、新加坡 MoCA、伦敦 Franks-Suss 收藏等国内外重要艺术机构与私人所收藏。

#### LI Jikai

Chinese, b.1975, Chengdu, Sichuan Province. He graduated from the Oil Painting Department of Sichuan Fine Arts Institute in 1999. In 2020, he graduated from the Chinese National Academy of Arts with a doctorate degree in fine arts. He is now teaching at Hubei Institute of Fine Arts.

Li Jikai has been considered as a main representative of the post-70s generation of the New Animation in China. His paintings have been characterized by remarkable brushwork and poetic sensibility. In addition to following the change-oriented Political Pop movement that emerged in China in the 1990s, the artist brings together images and subjective consciousness, which allows his artistic works to have the distinctive features of the New Paintings. In doing so, he has taken the painting and writing influenced by the generation of animation to the next level.

Li Jikai started to create the Youth in 2000. After encountering the ideal of happiness, daydreaming, meditation, and neuroticism, the Youth created by the artist seems to engage with many tangible things in the outside world, such as mushrooms, watermelons, and tents. Henceforth, the Youth appears to be a self-portrait of Li Jikai and also functions as an entry point to time, childhood, contemporary society, and dreamland, which indicates the spiritual journey of the post-70s generation of Chinese artists. What has been portrayed in the paintings is not only a sense of loneliness and sentimentality shared by many in the last century but also the neo-expressionist characteristics.

The artist has exhibited at many prestigious venues in China and internationally, including the National Art Museum of China, Beijing Today Art Museum, Long Museum (Shanghai), Shanghai Minsheng Art Museum, Shanghai Power Station of Art, Fine Arts Literature Art Center, Saatchi Gallery (London, UK), Tokyo Art Club (Japan), Cobra Museum of Modern Art (Amsterdam, the Netherlands), and the Pacific Heritage Museum (San Francisco, USA). His works have been collected by major art institutions and collectors, including Beijing Today Art Museum, Long Museum (Shanghai), He Xiangning Art Museum (Shenzhen), Guangdong Art Museum, Hubei Art Museum, Wuhan Art Museum, MoCA (Singapore), and the Franks-Suss Collection (London).
